# Finding European partners in ECO-CONSTRUCTION

Enterprise Europe South EastUK is organising a European Matchmaking event at Ecobuild, the biggest event in the world for sustainable construction.

Meet new co-operation partners from all over Europe in just one day!

The matchmaking event aims to initiate business and technology co-operations - such as sales and distribution, license agreements, joint ventures, commercial agreements with technical assistance or European research projects - by offering pre-arranged 30-minute one-to-one meetings.

## Thematic focus of the Matchmaking Event

- Sustainable design
- Progressive and efficiency technologies (Low energy, passive, intelligent, ecological)
- New building material and technologies
- Systems and equipments using energy from alternative sources (Solar panels, heat pumps, equipment for cooling and recuperation of heat, wind turbines, etc)
- Heating equipment
- Control and metering equipments

Sign up now for this  
**FREE** matchmaking event...

It's your opportunity to maximise 1:1 meetings with suitable technology and commercial partners from all over Europe during your visit to the show.
